Dear Vincent Santiago

Re: Freedom of Information Request

I refer to your request for information pursuant to the Freedom of Information Act 2000 ("the Act") dated 3 April 2021.

Birmingham Community Healthcare NHS Foundation Trust ("the Trust") can advise that we **do hold** the information that you have requested. The Trust's response is:

1. How many people have died in your hospitals from covid 19 and only due to covid 19? I have seen the figures you publish online, but these are deaths within 28 days of a positive covid test, so they could have died from other causes. I just want to know the exact figures from 1st February 2020 to 3rd April 2021 for death due to covid 19 alone.

There have been 79 deaths with covid.

There have been 2 deaths from covid alone.

2. The Number and Percentage of people with 'underlying health conditions' in the overall total.

79 and 97.53%

3. The Number and Percentage of those without 'underlying health conditions'.

2 and 2.47% respectively.

It is confirmed that as the information has been provided, this request is now closed.

For future reference, the Trust's publication scheme and details of the services that we provide can be found on our website: www.bhamcommunity.nhs.uk.

Terms and Conditions of Re-Use

Information supplied under the Act is subject to the Trust's copyright unless otherwise indicated. It may be reproduced free of charge in any format or medium (unless expressly indicated to the contrary) provided:

- It is reproduced accurately and not used in a misleading manner;
- The source is identified and the Trust's copyright is acknowledged; and
- It is not used for the principal purpose of advertising or promoting a particular brand, product or service.

This permission does not extend to any material which is the copyright of third parties. You must obtain authorisation to reproduce such material from the copyright holders.

If you are not happy with the Trust's response you can request an Internal Review.
