

**WHAT TO DO SHOULD YOU BE ASKED TO TAKE A VACCINE OR ANY DRUGS TO KEEP YOUR
JOB**

DO NOT DECLINE

Instead do this: Write a letter and post it (this gives it legal weight) email a copy if you wish. Ask these questions for them to provide:

Dear

I would be most grateful if you could please provide the following information in accordance with the statutory legal requirements.

1. Can you please advise me of the approved legal status of any required drug and if it is experimental.
2. Can you please provide details and assurances that the required drug has been fully, independently, and rigorously tested against control groups and the subsequent outcomes of those tests.
3. Can you please advise a full list of contents of the required drug I am to receive and if any are toxic to the body.
4. Can you please fully advise of the adverse reactions associated with the required drug since its introduction.
5. Can you please confirm that the required drug you are advocating is not experimental mRNA gene altering therapy.
6. Can you please confirm that I will not be under any duress from yourself as my employer in compliance with the Nuremberg code.
7. Can you please advise me of the likely risk of fatality should I be unfortunate to contract Covid19 and the likelihood of recover.

Once I have received the above information in full and I am satisfied that there is no threat to my health I will be happy to accept your offer to receive the treatment but with certain conditions. Namely that:

1. You confirm that I will suffer no harm following acceptance of this.
2. The offer must be signed by a fully qualified doctor who will take full legal and financial responsibility for any injuries occurring to myself and/or for any interactions by authorized personnel regarding these procedures.
3. In the event that I should have to decline the offer of required drug please confirm that it would not compromise my position and that I would not suffer prejudice and discrimination as a result. I would also advise that my inalienable rights are reserved.

Regards

(Do not quit work, do not resign, if they fire you there is legal course that are going to follow.... Ask for evidence that Covid19 virus exists and causes a disease, under the official freedom of information act this information does not exist. This applies to employers and the law).
