

The information on this Citizens Database is a community effort intended to provide general information to the public about Covid-19 Vaccine related deaths in New Zealand. Although care has been taken to ensure the quality and accuracy of the information the authors make no warranty, express or implied, nor assume any liability or responsibility for the accuracy, correctness, completeness or use of any information on the database.

Given the sensitive and controversial nature of vaccine injury and death in New Zealand member of the deceased. Information is provided on the basis that all persons accessing the Citizens Database undertake

Gender	Age Range	Jab 1	Jab 2	Known date of death	Approx Date death	Cause of Death	Co-morbidity	Died after Jab Hrs	Died after Jab days	Died After jab weeks
F	60-69	y	y	15-Jul		Heart attack / multiple partial strokes	b			6
