I.E: international treaty on pandemic prevention and preparedness

As members of the Executive Board of the World Health Assembly (WHO), the director general of the WHO and the president of the European Council you are thereby formally notified that the Wakaminenga Māori government of Aotearoa Nu Tireni/New Zealand does not consent in any shape or form to any type of international pandemic treaty under the WHO or its assembly. Any such construct shall be void ab initio. We, as United Tribes and Hereditary Chiefs, represent the only current legitimate government in New Zealand. The current NZ government represented by Jacinda Ardern is an illegitimate government because it is a corporation (SEC CIK #0000216105) listed on the:

US Security & Exchange Commission as Her Majesty the Queen in Right of New Zealand

<https://sec.report/nsm/Her-Majesty-Queen-In-Right-Of-New-Zealand/>

SEC CIK #0000216105

<https://sec.report/CIK/0000216105>

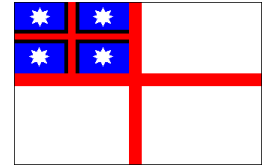

In accordance with the *Clearfield Trust Doctrine*, a corporation does not have any implied right to govern a sovereign people. We hereby register our vote of *no confidence* in the actions or authority of the corporation unlawfully posing as a government in our territory. This unlawful Ardern government and its ministers stand charged by the Nga Tikanga Māori Law Society and the Wakaminenga Maori Government of Nu Tireni with genocide, war crimes, and crimes against humanity related to their wilful disregard for the suffering and loss of life resulting from their unlawful response to the engineered bioweapon known as Covid-19 and the unlawful forced administration of a poison to our people and forced medical experimentation. As also charged with serious crimes related to a pandemic response, the WHO and Dr Tedros Adhanom Ghebreyesus have *no standing or authority* to form any binding agreement related to a pandemic response, in any jurisdiction and we command that these attempts shall cease and desist immediately pending the outcome of these charges under Rome statutes 6, 7, and 8 filed in the international Criminal Court 6 December 2021.

Te Whare Ariki o Runga

Assenting Body of Divine Spiritual Law of the
Wakaminenga o Nga Hapu o Nu Tireni

Proclaimed Sovereign Hapu Authority Lawfully Constituted in accordance with the internationally recognised Te Wakaputanga o te Rangatiratanga o Nu Tireni 1835, whilst exercising Hapu Kawa Tikanga within the territory of Nu Tireni.

In the Public Finance (Mixed Ownership Model) Amendment Act 2012.
<https://www.legislation.govt.nz/act/public/2012/0045/latest/whole.html>

In section 45P-2: They define the Crown: "Crown means Her Majesty the Queen in right of New Zealand".

Because successive New Zealand Governments that represent the Crown in the Te Tiriti o Waitangi, have breached their obligation to honour Māori rights as te Tiriti partners, it is now necessary to assert those rights including the right of self-governance.

You are hereby notified that any agreement between the NZ Corporation In her Majesty the Queen in Right of New Zealand and the WHO or any WHO Assembly is now subject to review by the sovereign people of Aotearoa Nu Tireni/New Zealand and its administrative arm, the Wakaminenga Maori government of Aotearoa Nu Tireni/New Zealand, duly constituted under the internationally recognised Declaration Te Wakaputanga 1835. This unextinguished international law declares in Article 2 that *all sovereign power and authority within our Territories resides entirely and exclusively in the Hereditary Chiefs and Heads of Tribes in their Collective Capacity who also declare that they will not permit any legislative authority separate from themselves to exist, nor any function of governments to be exercised within the said territories unless by persons appointed by us and acting under the authority of laws enacted by us in our Congress assembled.* Again, this means any effort to form such an agreement is *void ab initio* in our jurisdiction.

You are hereby directed to cease and desist any discussions or negotiations with the unlawful Ardern Government, a NZ Corporation, known as *Her Majesty Queen in Right of New Zealand*. The Wakaminenga Maori Government of Aotearoa Nu Tireni reserves the right to discuss/negotiate with any international partner(s) of its choice, including the World Council for Health (WCH) <https://worldcouncilforhealth.org/>.

This shall serve as the first and final notice that we stand firmly in our Sovereignty under settled international law including Te Wakaputanga 1835, and Te Tiriti O Waitangi 1840. We do not consent, and we will not be bound to any construct devised by any organization but ourselves. If you proceed, this shall be seen as an attempt upon our sovereignty and viewed under the Imperial laws application Act 1986 as an attempt, by you and all assignees, to become constructive Trustees which carries a prison sentence of 7 years. We reserve the right to have any proceedings held in a Court of Common Law jurisdiction or our appointed Tikanga Māori Law jurisdiction.
