NEW ZEALAND DOCTORS SPEAKING OUT WITH SCIENCE

# DEFENDING ETHICAL AND SCIENTIFIC MEDICINE

NZDSOS WAS BORN OUT OF CONCERN WITH THE NZ GOVERNMENT COVID RESPONSE AND THE HARM BEING CAUSED

- Uphold basic ethical principles – first, do no harm, informed consent, right to decline medical treatment
- Restore the sanctity of the doctor- patient relationship
- Protect pregnancy and childhood
- Let doctors be doctors
- Get the government out of the consultation room
- Act in line with the NZ Bill of Rights, HDC Code of Patient Rights
- Return the MCNZ to its lawful function
- Restore the primacy of General Practice

SOUND LIKE THE KIND OF MEDICINE YOU WANT TO PRACTICE?
