I, **Dr Alison Jane Goodwin**, registered medical practitioner, agree to accept and undertake to comply with the following conditions requested by the Medical Council of New Zealand (Council):

- a. I will not display, promote, or provide materials, information, or advice to patients in relation to COVID-19 that is contrary to Ministry of Health guidance or that undermines the national pandemic response in New Zealand.

- c. I understand that the media includes any social media, news, or video streaming platforms.
- d. If I am asked by a patient or prospective patient for information about vaccination or immunisation against COVID-19, I will refer that person to another doctor, nearby, who can provide them with further advice on COVID-19 including vaccination and immunisation that is in line with guidance issued by the Ministry of Health.
- e. While this Voluntary Undertaking (VU) is in place, I will provide a copy of it to my current and future employers and any doctors practising in association or partnership with me.
- f. I understand that the Council will take any necessary steps to monitor my compliance with this VU, including my contacting employer(s) or places of work.
