Tēnā kōrua Drs Shelton and Goodwin

Thank you for your correspondence from 3 October 2025 to date, and for outlining your concerns. I can confirm the correspondence has been given to the Chair, Dr Rachelle Love.

The Medical Council's role is to regulate doctors in accordance with the Health Practitioners Competence Assurance Act 2003, with a primary focus on protecting the health and safety of the public. This includes ensuring concerns are considered through appropriate statutory processes.

The matters you raise have been considered within the Council's established processes. It would not be appropriate to engage in further correspondence on these issues outside of those processes.

Ngā mihi
